Watervliet Elementary PTA**

PTA MEMBERSHIP

As we start a new and exciting school year, we encourage you to “help us build a future together” with our Parent Teacher Association (PTA). Your involvement really does make a difference in **your** child’s/children’s education. The money we raise helps to fund class trips, after school enrichment programs, recognition of student achievements, and a lot more. This is made possible by parents/guardians, family members, teachers, staff and businesses in our community. We encourage you to attend our monthly PTA meeting and to participate in our functions.

We encourage everyone to be involved in **your** child’s/children’s education to join and support the PTA. The yearly dues are \$5.00 per person or \$10.00 per family. This may be paid in cash or by check payable to Watervliet Elementary PTA. Your household membership covers all children in your household that attend Watervliet Elementary.
