Your son/daughter has almost completed the Foreign Language introductory course in Spanish and French for 10 weeks on an every other day basis. It is now time to choose a course of study in one of the two Foreign Languages offered at Watervliet Junior Senior High School.

The Foreign Language course selected by your son/daughter will begin at the start of the third quarter (Monday, January 30, 2017). The Foreign Language Department will make every effort to accommodate your selected preference, however, if one language is over requested then those students' names will be placed in a lottery and drawn until each section is filled.

Please keep in mind that the Foreign Language your son/daughter selects for the remainder of their 7th grade school year is also the language that he/she will continue to study throughout high school.

Please complete the form below and return it to your Foreign Language teacher by Monday, January 23, 2017. If we do not receive this form back your child will be asked their preference.

Sincerely Yours,

Ryan Groat
