

VARSITY CLUB

What is Varsity Club?

Varsity Club is a group for varsity student-athletes to get together to promote school spirit, to create unity between the different sport teams and to participate in special activities.

Who can be a member of Varsity Club?

Any student-athlete currently holding at least one varsity letter may join. If the student-athlete does not currently have a letter, membership can be attained at any point during the year as soon as a letter is earned. Members receive a pass to attend all home regular season athletic contests for free.

Why would I want to be in Varsity Club?

The Varsity Club sponsors many activities for the student-athletes. Participation in activities include the coordination of our Good Sports Program for the elementary students during basketball season, to help coordinate community service activities during the season, as well as sponsoring and/or assisting in special events run during the school year.

When does Varsity Club meet?

Varsity Club meets after school on the second Wednesday of each month. Special meetings may be scheduled as certain events are planned during the year.
