Parking for all Fall 2010 Cannoneer Home Football and Soccer Games

Due to construction at WJSHS, parking for home games and access to the football field and stands will be different for the entire Fall 2010 season. Spectators may park on 12th Avenue or in the school's new parking lot. From the parking lot, access to the fields will be via a greenway located between the construction trailer and staging area and 12th Avenue. There will be parking guides in yellow jackets at each game to help you find your way!
