When parents actively participate in their child's education, studies have shown that their children do better in school. Neither parents nor schools alone can ensure the educational success of the child. It takes working together to meet this common goal. Toward that end, the faculty and staff of the Watervliet City School District, parents, and students, working cooperatively to provide for the successful education of the children, agree:

For Faculty and Staff

As a member of the faculty/staff, I will encourage and support student learning by:

- Recognizing and believing that all children can learn.
- Showing respect for each child and his/her family.
- Coming to class prepared to teach.
- Providing an environment conducive to learning.
- Helping each child grow to his/her full potential.
- Providing meaningful and appropriate school and homework activities.
- Enforcing school and classroom rules fairly and consistently.
- Maintaining open lines of communication with each student and his/her parents/guardians.
- Seeking ways to involve parents in school programs.
- Demonstrating professional behavior and a positive attitude.

For Parent(s)/Guardian(s)

As a parent/guardian, I will encourage and support student learning by:

- Seeing that my child attends school regularly and on time.
- Providing a home environment that encourages my child to learn.
- Insisting that all homework assignments are completed.
- Communicating regularly with my child's teachers.
- Supporting the school in developing positive behaviors.
- Encouraging my child to read at home and to monitor his/her TV viewing.
- Showing respect and support for my child, his/her teachers and the school.

For Students

As a student, I will encourage and support my learning by:

- Always trying to do my best in my work and in my behavior.

- Showing respect for myself, my school and other people.
- Obeying the school rules.
